IAS-112/74

5 SEP 1974

MEMORANDUM FOR: Chief, DDI Management Staff

SUBJECT : IAS Objectives for FY 75

1. In accordance with your call for office objectives for FY 75 dated 15 August 1974, I am submitting the following as our proposed objectives for FY 75.

Operating Objectives

1. To identify with our consumers by February 1975 the needs for direct IAS support, and to formulate IAS staffing requirements to satisfy those needs in FY 77 and beyond.

2. To develop individually with principal consumers in FY 75 procedures for evaluating the effectiveness of IAS responses to their needs.

Product Improvement Objectives

3. To continue development with OSR of more efficient means of reporting imagery-derived data on MBFR related forces into OSR automated ground forces data bases, completing by the end of FY 75 an investigation of the feasibility of on-line data links.

4. To complete in FY 76 a computerized file of imagery-derived information on Chinese non-military industries in support of OER.

5. To develop in FY 75 computer assisted procedures for utilizing this industrial data base to update basic imagery interpretation reports in support of COMIREX.

6. To complete development in FY 76 of an automated data file for storage, retrieval of and analysis of information on Chinese missile deployment, production, training, and storage facilities; file manipulation and experimental analysis is to be in progress by mid FY 75.

SUBJECT: IAS Objectives for FY 75

Resources Improvement Objectives

7. To implement by the last quarter of FY 75 a timely, accurate and comprehensive management information system for IAS replacing the three less efficient systems previously in use.

8. To develop by mid FY 75 standard criteria and a systematic approach to training that will produce and maintain those professional skills necessary to accomplish the IAS mission and objectives.
